

# SAINT CECILIA SCHOOL FRIDAY NEWSLETTER *September 21, 2018*

Dear St. Cecilia Family,

It's been another steamy week. Hopefully the temps will be a little more agreeable in the the next couple weeks. We all know in Ohio, that the weather is a bit unpredictable and it is possible that we will jump right into winter while skipping a beautiful fall season.

This week was full of excitement, starting with two fire drills! The Columbus Fire Department decided to surprise us on Wednesday with an additional drill. I am happy to report that it went very smoothly. The children are staying calm and exiting the building quickly and quietly, always ready to listen for directions. Thursday, the upper school students had a reverse evacuation and did fantastically! They sense the importance of the safety drills and take them seriously. On Monday, our parish celebrated our senior members with a lovely luncheon. Some of your children contributed by volunteering to help and by making place mats. And finally, today, the students all smiled beautifully for class pictures. If your baby was absent today, no worries, make-ups are scheduled for October fifth.

Hopefully this coming week will be a bit calmer. We have chapel on Monday to begin our week in Christ's presence. Teachers are working hard completing interim reports that will be published through SchoolSpeak on Friday, September 28th. There are always a few technical issues the first quarter so please be patient. I will get those out as soon as possible. Our eighth graders will be going on a little field trip to Bishop Ready High School on Wednesday. This is such an exciting time for them and I just know BRHS will welcome them with open arms. There will be no school Mass on Wednesday the 26th. There were some scheduling conflicts that couldn't be avoided.

The staff and faculty of St. Cecilia will continue to keep all of you in our prayers.

Have a wonderful and relaxing weekend,

*Mrs. Lori Smith*

Estimada Familia de Santa Cecilia,

Ha sido otra semana de mucho calor. Ojala que las temperaturas sean un poco mas agradables en las proximas semanas. Todos sabemos que en Ohio, el clima es un poco impredecible y es posible que brinquemos en invierno mientras que se brinque la Hermosa estacion del otono.

Esta semana estuvo emocionante, empezando con dos simulacros de incendio! El departamento de incendios decidio sorprendernos el Miercoles con un simulacro . Estoy feliz de comunicarle que todo fue bien y suavemente. Los ninos estuvieron calmados y salieron del edificio rapida y calmadamente, siempre listos para escuchar las instrucciones. El jueves los estudiantes de Secundaria tuvieron un simulacro de evaluacion inversa y lo hicieron fantasticamente! El sentido de importancia de los simulacros lo toman seriamente. El lunes pasado, nuestra parroquia celebro a nuestros miembros con un adorable lonche. Alguno de los ninos contribuyeron para voluntarirse a ayudar e hicieron mantelitos individuals. Y finalmente, hoy, los estudiantes todos se sonreian hermosamente para la fotos de la clase. Si su hijo no vino el dia de hoy, no se preocupe, van a regresar a tomar fotos para el 5 de Octubre.

Esperemos que esta proxima semana sea mas calmada. Tenemos capilla el Lunes para empezar nuestra semana en la presencia de nuestro Señor. Los maestros estan trabajando muy duro para terminar los reports interinos que seran publicados en el School Speak el viernes 28 de septiembre. Siempre hay algunos problemas tecnicos del primer trimestre, por favor sea paciente. Vamos a publicarlos tan pronto podamos. Nuestros estudiantes de 8 grados van a ir a una pequena excursion a la High School Bishop Ready el miercoles. Esto es muy emocionante para ellos y yo se que Bishop Ready los va a recibir con los brazos abiertos. No Habra misa el miercoles 26 de septiembre. Hay algunos conflictos que no podremos evitarlos.

El personal y la facultad de Santa Cecilia continuaremos manteniendolos a todos en nuestras oraciones.

Que tenga un maravilloso y relajante fin de semana.

Directora  
Sta Cecilia
