

TITLE I TUTORING SERVICES PERMISSION 2020-2021

FOR SOUTH-WESTERN CITY SCHOOL STUDENTS ONLY

Title I is designed to help students served by the program to achieve proficiency on challenging state academic achievement standards. Targeted assistance schools design, in consultation with parents, staff, and district staff, an instructional program to meet the needs of those students. Both school-wide and targeted assistance programs must use instructional strategies based on scientifically based research and implement parental involvement activities.

Screenings will be performed through the year to ensure all students are on target. IF at any time your child falls below the target score, your signature grants St. Cecilia Intervention staff permission to provide your child with in-school tutoring services.

- I give St. Cecilia Permission to provide Title I services to my child.
- I **DO NOT** give St. Cecilia permission to provide Title I services to my child.
